Learn what you still can  
do!

**Mark Stebbing CPA,  
CMA of Numbers  
Plus Professional  
Corporation will be  
leading a discussion  
about the recent  
(July 18, 2017) tax  
changes.**

### Discussion Topics:

**Income Splitting:** Preventing dividend or wages to go to family members if deemed to be 'unreasonable' or to tax them at 53.53%.

**Passive Assets:** Keeping some profits in the business for a rainy day may soon be subject to a tax of potentially 73% instead of normal rates.

**Capital Gains:** Leaving a business to a family member now results in about a 93% tax rate in Ontario under the new proposal. This was made effective immediately!
